

Ljubav je

Prijateljstvo i ljubav su dvije biljke na jednom korijenu.
Tek, ljubav ima nekoliko cvijetova više.

(Klopstock)

Tamo gdje ljubav vlada nema ni velikih ni malih.

Ljubav je

Ljubav stvara čuda svakog dana : ona slabi jakog, jača slabog; od pametnog pravi budalu, od budale pametnog, favorizira strasti i uništava razum. Jednom riječju : okreće sve naglavce..

The Art of Disney Romance

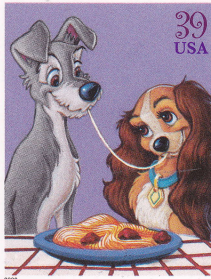

Mickey and Minnie Mouse
Mickey and Minnie Mouse have been sweethearts for many years, yet they still have that first-date feeling. Seeing this celebrated couple, we can all take heart; they prove that sometimes the course of love can indeed run smooth.

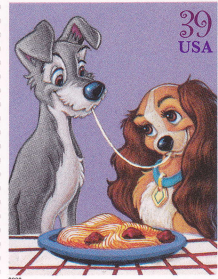

Beauty and the Beast
This is the evening the Beast has awaited, but can he tell Belle of his love? He knows his heart, but does she yet know her own? These lovers are as uncertain as they are hopeful—emotions and a tale "as old as time."

Cinderella and Prince Charming
Everyone dreams of living a rags-to-riches fairy tale and dancing with that special someone. As Cinderella and Prince Charming learn, one waltz can lead to a moment of realization: "So this is love."

Lady and Tramp
First dates can be full of risks—and ordering spaghetti only complicates matters. Fortunately for Lady and Tramp, a plate of pasta leads to a memorable kiss, turning a simple dinner out into a wonderful "Bella Notte."
